

# ProEducation IGCSE and A Level Excellence Program

**ProEducation is an inclusive International School in Umalas, and aims to provide a High School of excellence.**

We offer Pearson and Cambridge Curriculum to our senior students and as an inclusive school, aim to provide a quality education service to a diverse range of students. We provide a learning environment where our students receive intensive support and guidance through their senior studies, enabling them to achieve their goals and reach their full potential.

In **2022-2023** school year we aim to introduce a new program to a select cohort of students to undertake an IGCSE and A level Excellence Programme.

Students who enter the program need to demonstrate the below in their application. Students who are chosen to be a part of the program have significantly reduced fees.

ProEducation is looking for:

- Students who want to do their very best and thrive
- Students who participate proactively in wider school activities
- Students who will participate in volunteer work beyond the school
- Students who demonstrate the ability to set personal goals and work towards these with support
- We seek global thinkers and students who want to contribute to a global community
- Students who can demonstrate how they can meet the school values

Students who wish to apply for this program need to complete the below in order to be considered as an applicant:

- Interview for 30 minutes inclusive of topics about their goals, values and aspirations
- 5 samples of work that demonstrates self reflection. There must be a work sample from Math, Science, English and two chosen subjects of their own.
